

## R.C. voice

Realtime Voice-Changing Technology

You can speak and sing in realtime by the voice of the artists, characters, or actors.

### R.C.voice : Jurassic version

CRIMSON's original voice-exchanging technology has been released as iOS App for free !

It is also available to use this technology for you as a PROFESSIONAL VERSION at the theme park/ show event/ music market.

Please visit our booth and try the new technology that has been never heard.

CRIMSON TECHNOLOGY;  
booth #9701 (within MMA booth)
